LEAF THE DESK

FOR COMPANIES THAT WANT TO:

be a frontrunner with an innovation that strenghtens
the human connection with nature

invest in an inspiring and healthy working environment that
contributes to the vitality and well-being of employees

stimulate flexible working and outdoor activity during working hours

give meaning to Social Return by buying a product that, like LEAF the desk,
is produced in collaboration with a 'Sociaal Werkbedrijf' in The Netherlands

LEAF the desk is one of our
ways to improve conscious
working and living.
